Cindy:

Marilyn Lambert will be able to help you with access (5-7470).

Do you have an EPA credit card?

Teresa Clark is the expert on helping you with your first TA or Cincinnati Travel @ 513-487-2346.

All travel for the Gold King Mine Spill will be paid for by Superfund (Patti Sonntag).

If you have emergency travel before you are set up, it is done through the contact I sent you in separate e-mail.

I will be flexi tomorrow if you need me.
